Mr. H. N. Henderson,  
Syracuse, N. Y.

Dear Sir:-

I have been directed to inform you that there will probably be a vacancy in the Department of Athletics at the Agricultural College of Utah next year, and if you desire to become a candidate for the position, send to President Kerr such recommendations and references as you think will assist him in determining your fitness for the work. State also, in detail, the educational training you have had, as well as your experience in athletics, particularly football; your age, whether married or single, and send a recent photograph.

I am sending you under separate cover a catalogue of the College.

Yours truly,

President's Secretary.
